Report of Principal and School Improvement Council

Chester Park Elementary School of Inquiry (CPESI) is one of three Schools of Choice in the Chester Park Complex. We are home to approximately 449 students in grades Pre-K through 5. CPESI is a Professional Development School with Winthrop University's NetScope Project. We help prepare future teachers. In turn, we receive professional development support from Winthrop University for our teachers and staff. Winthrop Liaison, Dr. Sue Spencer, is based at our school one day each week and collaborates with teachers and students to help us achieve school and district goals. Centered on the Project-Based Learning Initiative, CPESI was the 2013 recipient of the Dick & Tunky Riley WhatWorksSC Award for Excellence.

Professional Development was held twice each month, and discussions centered on Project Based-Learning, Research-based Best Practices, Technology, and Common Core Standards. All classroom teachers were trained in implementing the new mathematics program, My Math, by a consultant. Grade-level team meetings were held weekly with teachers in grades Pre-K to 5 for the purpose of analyzing assessment results and planning standards-based instructional lessons.

To ensure all students were successful, a daily, uninterrupted 30-minute intervention time slot known as 'STAR Time' was provided for differentiated instruction in the areas of reading and math. The Reading Interventionist provided reading instruction to students who were identified as reading below grade level on MAP (Measures of Academic Progress) or who scored 'Not Met' on ELA PASS for Grades 4 & 5. The Literacy Coach worked with one teacher in a model literacy classroom as well as with other teachers to provide them with best practices in the area of ELA. The Intervention Teacher met with the Literacy Coach and principal for the purpose of analyzing student assessment results as well as regrouping or dismissing students. The Literacy Coach created and facilitated the 'Take Home Reading' program. CPESI had 215 students to participate in the district-wide reading contest with students in Grades Pre-K through 2nd reading at least 50 books, and students in Grades 3-5 reading at least 75 books. Book Buddies from 4th Grade also read with students from the early childhood classes. Classroom teachers were provided access to RazKids, Reading Eggs, and Study Island as additional instructional materials. At the beginning of the second semester, every certified staff member selected students based on MAP scores and/or teacher recommendation to receive at least 1 hour of individualized tutoring weekly during 'STAR Tutoring Sessions'.

At the end of each nine weeks, students received recognition and special pins for their STAR caps in the areas of Honor Roll, Perfect Attendance, on- or above- grade level scores on MAP, and Classroom Awards. Students who scored 'Met' or 'Exemplary' on SC PASS were also recognized and received special pins for their STAR caps.

The PTO was actively involved in supporting the students and staff of CPESI throughout the school year; the organization provided funds for student incentives such as the STAR cap pins, behavior rewards as well as car tags for additional safety in the carline. The PTO also provided the staff with treats throughout the year.

The School Improvement Council (SIC)/ Title I Planning Team met monthly to discuss Title I activities, special programs, parental involvement, and student achievement. Students were recognized for their achievements throughout the school year. Opportunities for family and community involvement included: Math & Science Showcase; Family Literacy Night; parent workshops; Grandparents Luncheon; Bring a Parent to School Day; Hero in Me Program; Living Wax Museum; and Open House. A bi-monthly newsletter was provided and parents could also receive this newsletter and other important announcements on the school website. Parent communication folders were provided to all students and sent home every Tuesday. Agendas were provided to students in grades 2-5. The School of Inquiry will continue to set high expectations to enable ALL children to become inquiring, life-long learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
